Roosevelt Senior High School

Washington, D.C. 20011

DEDICATION

"We, the members of the 1984 Rough Rider staff, express our appreciation and gratitude to Mr. Michael Lewis, our gardener.

For many years you cut, plowed, and mowed,
To help Roosevelt's outside look its best;
In the baddest weather, rain, sleet, or snow,
You made sure your work was done without taking a rest.

Your green thumb could be no greener,
Even if you stuck it in a can of paint;
For giving great services, there's no one keener,
We all think of you as an outdoor saint.

Everyday we come to school feeling proud,
Knowing that the beauty of the school will be brought out,
Such a magnificient work will surely be uttered aloud,
By Washington's most proudest students about,
Of what wonderful gardner under the sky,
A treasure to Roosevelt High.

So thank you Mr. Lewis,
I Know we don't show it,
but we love you, totally,
with all our hearts

The Universe Is Yours!

TO THE GRADUATES OF 1984

This yearbook is a symbol of one of the most important achievements of your lives. The early years of this decade have been difficult for most young people. You who have succeeded in this first objective toward self-reliance are to be commended for you have proved that the efforts of your teachers and administrators have not been in vain.

All of us at Roosevelt congratulate you, the members of the Class of 1984 and wish you the very best in your future pursuits.

Ring with the harmonies of Liberty.
Let our rejoicing rise,
High as the list'ning skies,

Sing a song full of the faith that the dark past has taught us
Sing a song full of the hope that the present has brought us;

Let us march on till victory is won.

Why must you be scolded, Why must it be no
Why can't you have this and, Why can't you go
You say -Look at the other kids all of them free
They're not kept at home a prisoner like me.

Look at the flower and look at the weed
I'll give you the answer I know you need
To have pretty flowers think of the care you must give
But a weed needs only rain and sunshine to live.

It takes lots of things and many hours of toil
To bring forth a flower from out of the soil.
Then you have beauty and fragrance rare
For all to see and all to share.

Now it takes much more to mould a child
To grow in beauty instead of wild
Now and then a strong word from Daddy or Mother
But always with love you get from no other.

If you have no one to care and none to give heed
You grow not as the flower but only the weed
To have the best beauty of all when you're grown
I will teach you, My Child, then you're on your own.

The beauty I speak of is hard to erase
For it comes from the heart and not from the face
I will show you the way and hope you take heed
That you go as the flower and not as the weed.
